Jumanji: Welcome to the Jungle . The story begins with four teenagers, who are in their LATE 20s, who lives in Beaver Falls, Pennsylvania who receive detention after the school administration catches them playing and watching a video game called Jumanji, which takes place in the jungle in Africa. Soon they are abducted by a jungle spirit who offers the kids three magic words, after which the kids begin to be transported into the video game's world. When they enter the video game world, they realize that they have been transported into Jumanji's world, and they try to get back to the video game world by repeating the magic words, by which time the kids are several years older. But this adventure does not end as they expect, as they find themselves in different age groups in a different life, along with a new challenge.
